Maintenance Closures on Golden State Freeway (I-5)

DOWNEY – The California Department of Transportation (Caltrans) will close the southbound San Gabriel River Freeway (I-605) connector road to the southbound Golden State Freeway (I-5) and up to three lanes of the northbound Golden State Freeway (I-5) between the I-5/I-605 interchange and Lakewood Boulevard to repair damaged pavement during the following days and times:

- Dec. 6, Thursday, 10 p.m. to 5 a.m.
- Dec. 7, Friday, 10 p.m. to 8 a.m.
- Dec. 8, Saturday, 10 p.m. to 8 a.m.

Closures are weather permitting and subject to change. Caltrans maintenance forces will also perform additional maintenance activities within the closure.

The contractor on this \$450,000 project is J. McLoughlin Engineering Construction, Inc. of Rancho Cucamonga, Calif. This project is expected to finish by January 2013.
